

Dia dhaoibh go léir!

Hope you are all keeping well and enjoying your time at home as best you can. Second class, we were delighted to see the lovely pictures of your candles over the weekend, thank you so much for making such an effort to mark the occasion. We look forward to celebrating your first Holy Communion at a future date.

We thank you for all the super work you have submitted by email to nickernsfarrellblackwell@gmail.com. We love to hear from you and would be delighted to hear from some more of you when you get a chance. We know people are very busy and we really appreciate the efforts people are making. We have asked that you send work on Wednesday or Friday (once a week is plenty) but that is completely at your own discretion and we are happy to receive it whenever you get a chance. Send what you can. There is no pressure to send every page you have done. ***Feel free to email any questions that you may have; we would be delighted to help.***

We have set everybody up on the website Study Ladder. This has lots of activities that the children can work at their own pace. There are Maths, English, Science, Music, Art and other activities on it with lots of variety. Well done to those of you who have been working away on it. We have sent the logins to the email addresses we have, so if anyone has yet to mail if you pop a quick email we will forward on the login.

We have set out some options for learning again for you to do in your own time. The main themes for the coming 2 weeks are: ***Habitats/Minibeasts/Trees and Weight***. We will put documents on the website on this page to support you in looking at these themes.

We understand that some days you may not be able to do as much work as other days. Do your best and make time where you can to keep up with your learning. It is very important to read a little every day, you can read from your books at home or books online. Don't forget about your handwriting too as this is an important skill. We are delighted to see all the cursive writing on the pages you have emailed to us. Just as before, Homeschool School Hub is a great resource on RTE at 11am each day and at 10am on TG4 for some Irish learning. You can also get additional materials on the RTE website also (rte.ie/learn).

Speak to you really soon,

Ms Blackwell & Ms Farrell
